

# Conference Agenda

The ADCH was founded in 1985 to bring together dog and cat welfare organisations and to aid communication between charities. The Conference has become a valuable forum for like-minded people to come together to learn and share, all for the benefit of animal welfare.

Those directly employed in the field, as well as small animal enthusiasts and owners, are all encouraged to come to this engaging and great value-for-money event.

**Places are limited so don't delay in applying for tickets through our website [adch.org.uk](http://adch.org.uk)  
Delegate registration and payment are taken online.**

**ADCH Conference** 21/22 April 2010. Hotel de France, St Helier, Jersey.
